Due to the threat associated with the COVID-19 virus, the Canadian Polish Congress - Québec District is canceling a meeting of the organizations associated in the KPK-Q, which was to take place on Friday, March 20, 2020 at the White Eagle Polish Society Hall.

Due to the risk of the COVID-19 virus spreading in Canada and government recommendations, the following Polish community organizations having homes in Montreal have canceled all meetings and activities at their headquarters for an indefinite period:

- The White Eagle Polish Society , 1956 Frontenac, Montreal (QC) H2K 2Z1

- PKTWP Group II & X, 3563 Belair, Montreal, QC H2A 2B1

We will monitor the situation closely and provide you with the decisions that will affect our community.

The time has come for us to approach the issue of security responsibly and adapt to the new situation that we are in.

In these extraordinary circumstances, let's take care of ourselves, our families, friends, and above all, let's not forget about our seniors who are most at risk of this virus.

We are full of hope and optimism that thanks to broad cooperation, prudence, solidarity and mutual assistance, the virus will be stopped and we will be able to meet and act for our Polish community in health and safety in the near future.

Let it be a time of reflection so that we may return stronger to our social missions and tasks.
